Covid '19

Covid remains very much in our community, with a wide range of symptoms and severity and, whilst one person may only suffer mild symptoms, another may become seriously ill. For this reason, we continue to respectfully ask that if your child develops a new, continuous cough that they stay at home until they have a PCR test.

We, as a school, are also experiencing illnesses which would be typical at this time of year. However, some of these symptoms, for eg upset stomach, may also be covid-related and we ask that, if you are in any doubt at all, you have your child tested.

As we approach the Christmas season, we are all looking forward to spending quality time with our families of every generation, especially as we had missed out on so much last year! We want to keep our school as safe as possible so that everyone in our school community stays safe and well and can enjoy special times! Thank you all for your support and understanding.

Open Enrolment

The application process for P1 pupils starting in September 2022 opens in January 2022. If you have any family/friends who have children ready to start school next year, we would be very grateful if you could let them know they are welcome to call to make an appointment to see around our school. Thank you very much.

Class rehearsals are underway and it will be lovely to have the Christmas spirit back in school again! The performances are scheduled to be shown as follows

Healthy Eating

Friday is our treat day in school – please do not send treat style snacks for break time. A small treat can be included in your child's packed lunch for lunch time.

Also please check carefully not to send any nut products or products containing nuts to school – we are a no nut school! Thank you very much.

School Dinner Menu

Just a reminder to check our school dinner menu for all the options available for your child each day! For example, if there is a meal your child doesn't like on a particular day, there most often be an alternative option!
