Illness

A gentle reminder that if your child is ill with vomiting and/or diarrhoea, they should not return to school until 48 hours after the last bout of illness. Even if they do feel well enough, they could still be infectious and spread illness to others.

If your child is absent, you must inform the school of the reason for this. A telephone call to the school or a message on Seesaw on the first day of absence will suffice. Thank you.

Open Enrolment

The application process for P1 pupils starting in September 2022 open on 10th January 2022. Application process is online at www.eani.org.uk/admissions. The process closes at 12 noon on Friday 28th January.

If you have any family/friends who have children ready to start school next year, we would be very grateful if you could let them know they are still welcome to call to make an appointment to see around our school at any time during the month of January. Thank you very much.
